About Glamping

Glamping is a coined word that stands for 'glamorous' and 'camping'. It refers to the new style of camping that allows you to a casual yet luxurious camping without setting up a tent and sleeping on sleeping bags. Enjoy the food which are of the quality of a hotel made from locally produced ingredients. Various activities and hands-on experiences such as Japanese hot spring bath, vegetable and fruit picking, and other nature-related programs are available depending on the facility.

Enjoy the scenic beauty of Japan away from the hassle and buzzle of a city, and have an glamorously rejuvenating time with nature.
